

Bug reports

ID: 1BG	Title: The bug report feature has two different names
Author: Ekaterina Kutuzova	
Environment: Samsung Galaxy A52, Android 12	
Severity: Trivial	
Steps to reproduce:	
1.	Open the app «Не бери трубку» (download https://play.google.com/store/apps/details?id=org.mistergroup.shouldianswer&hl=ru&gl=US).
2.	Tap the button in the upper left corner.
3.	Tap the button «Сообщить об о...».
Results:	
The button of the report feature has name «Сообщить об о...» supposedly meaning «Сообщить об ошибке» when the corresponding page is named «Сообщить о проблеме» (attachment: «name of the button», «name of the page»).	
Expected results:	
The button of the report issue in the main menu and the page of the report issue have the same names.

ID: 2BG	Title: The button in the account settings is partly hidden
Author: Ekaterina Kutuzova	
Environment: Samsung Galaxy A52, Android 12	
Severity: Trivial	
Steps to reproduce:	
1.	Open the app «Не бери трубку» (download https://play.google.com/store/apps/details?id=org.mistergroup.shouldianswer&hl=ru&gl=US)
2.	Tap the button in the upper left corner.
3.	Tap the button «Настройки».
4.	Tap the button «Настройки учетной записи».
Results:	
The button «У меня есть учётная запись» in the account settings is partly hidden and doesn't display its name fully «У ме...». It is smaller than the button «Создать учетную запись» (attachment: «account buttons»).	
Expected results:	
Both buttons in the account settings («Создать учетную запись» and «У меня есть учетная запись») are of the same size, fully visible and they display their full names (attachment «FAQ»).

ID: 3BG	Title: a search query with whitespace doesn't show any results
Author: Ekaterina Kutuzova	
Environment: Samsung Galaxy A52, Android 12	
Severity: Trivial	
1.	Precondition: The following contact is saved in the phone memory: 89118884466 Анна
Steps to reproduce:	
1.	Open the app «Не бери трубку» (download https://play.google.com/store/apps/details?id=org.mistergroup.shouldianswer&hl=ru&gl=US)
2.	Tap the button «Контакты»

3.	Tap on the magnification glass icon in the upper-right corner.
4.	Tap the spacebar
5.	Enter «Анна»
Results:	
The app search doesn't display any results (attachment: «a whitespace before word in query»).	
Expected results:	
The search shows the contact “Анна” and the contacts with similar names (attachment: «a query without whitespaces»). The code of the app uses one of the functions «trim» or «strip» to remove whitespace from the beginning, end, or both beginning and end, of a string.
